**Searching by ONS Staff**

If the search is likely to be too time consuming because of lack of identifying details, or if the search to be made is a general one (eg to trace a family tree), we cannot undertake the task. The applicant should conduct the search personally or arrange for someone else to search on their behalf, at The Family Records Centre, 1 Myddelton Street, London.

If we cannot find the entry, after a one year search either side of the date given, a search fee will be retained and the balance refunded.
